«I declare that I have written this thesis independently and have not used any sources other than those indicated. All passages taken verbatim or in spirit from sources have been marked as such. I have fully declared all benefits received in connection with this work and have not allowed myself to be influenced by sponsors' contributions with regard to the objectivity of the findings and commercial neutrality, neither in the research methodology nor in the presentation of the results. I am aware that otherwise the thesis will be assessed as not fulfilled or with grade 1 and that the university management or the senate is entitled to withdraw the degree or title awarded on the basis of this thesis. For the purposes of the assessment and the verification of compliance with the declaration of independence or the regulations concerning plagiarism, I grant the University of Bern the right to process the personal data required for this purpose and to carry out acts of use, in particular to reproduce the written work and to store it permanently in a database as well as to use it for the verification of the work of third parties or to make it available for this purpose. Furthermore, I declare that this thesis has not been used by me beforehand to obtain another university degree.»
